

Pick a project. Let's build it.

With Manuel Suarez and the AGM
marketing AI engineering team.

\$895 a month

Weekly. One hour. One-on-one.
Build live with an AGM AI engineer.

CHOOSE WHAT YOUR BUSINESS NEEDS NEXT.

MARKETING & CONTENT

Get your message out.

- ☐ **Content production system**
Turn your ideas into posts and campaigns.
- ☐ **Video editing & captions**
Turn recordings into sharp, captioned clips.
- ☐ **Ad copy & creative tests**
Build messages, images and video variations.

WEBSITES, FUNNELS & OFFERS

Give people a clear next step.

- ☐ **Business & brand websites**
Build the pages, copy, images and forms.
- ☐ **Landing pages & sales funnels**
Connect your ad to a lead, booking or sale.
- ☐ **Offers & lead magnets**
Package your value. Build the opt-in path.

EMAIL & CUSTOMER FOLLOW-UP

Keep the conversation going.

- ☐ **Email marketing system**
Your voice, your list and your campaigns.
- ☐ **Customer win-back campaigns**
Build follow-up for permissioned contacts.
- ☐ **CRM & booking follow-up**
Track leads. Set reminders. Keep next steps clear.

AI AGENTS & SOCIAL

Build help for the conversations.

- ☐ **E-commerce AI sales agent**
Answer product questions. Hand off to a human.
- ☐ **Appointment-setting agent**
Qualify leads and connect them to your calendar.
- ☐ **Social media moderation**
Sort comments, draft replies and flag issues.

ONE PROJECT PER CALL. BUILT WITH YOU.

Pick one item. Your engineer guides you step by step, live in your own accounts. Some projects finish in that call. Others continue the next week or over more sessions. Scope, access and the work involved set the pace.

Build the business behind the business.

OPERATIONS & WORKFLOWS

Make the repeat work easier.

- ☐ **Customer onboarding**
Build intake forms, welcome steps and checklists.
- ☐ **Team workflows & procedures**
Turn repeat tasks into clear, usable steps.
- ☐ **Business briefing assistant**
Bring updates, priorities and next actions together.

DASHBOARDS & DECISIONS

See what needs your attention.

- ☐ **Business dashboard**
Bring your key numbers into one clear view.
- ☐ **Campaign reporting**
Connect results to the decisions you make next.
- ☐ **Sales-call intelligence**
Turn calls into summaries, patterns and follow-up.

SOFTWARE & CUSTOM TOOLS

Build around how you work.

- ☐ **Custom web applications**
Turn a business idea into a working application.
- ☐ **Internal team tools**
Build forms, trackers and tools for repeat tasks.
- ☐ **Connected business systems**
Connect the apps and data your team uses.

PROGRAMS & KNOWLEDGE

Put what you know to work.

- ☐ **Member & program portals**
Build a home for lessons, resources and access.
- ☐ **Training & replay libraries**
Organize recordings, lessons and takeaways.
- ☐ **Business knowledge hub**
Keep your playbooks, answers and context together.

MY FIRST BUILD:

Circle a menu item or write your own. Agree the first useful step with your engineer.

Your membership. \$895 a month.

Every week: a one-hour, one-on-one build session with an AGM AI engineer. An agenda before. A written summary and homework that same day.

Every month: a live group session with Manuel. Plus access to his AI buildouts, systems and architecture as he builds them, with real strategy questions answered by him.

Start: onboarding call the next business day after your agreement is signed. **Keep it:** everything built stays in your accounts and remains yours.
